WEEKLY ACTIVITY REPORT

9-22-14 through 9-28-14

STEPHEN SEYLER /9-29-14

HOLLYWOOD BID:

The teams made a total of 20 arrests. Ten were for drinking in public, 3 for urinating in public, 4 for trespass, 1 for battery and 2 for blocking the sidewalk. They also made 17 homeless referrals, made 3 agency assists, provided 31 foot beat patrols for a total of 49.3 hours, made 367 citizen contacts, handled 57 radio calls for service, and contacted 516 businesses.

ARRESTS OF INTEREST:

We have received numerous complaints of people camping out at the vacant Hollywood Spa located at 1650 Ivar. The group was said to be very aggressive and were scaring both students and people at the Farmer's Market. We recently got a trespass form signed by the property owner. On the morning of 9-25-14, we teamed up with LAPD SLO Washington and arrested 3 suspects named Stephen Fish, Robert Ritualo and Melysa Weisco.

That very afternoon the property owner had the front of the building boarded up. It appears quite secure, but we will monitor the situation.

Trespassers Three

On 9-25-14, we received a call of a man bothering customers at the Starbucks located at 6290 Hollywood Blvd. Our Officers asked Jason Parker to leave. He walked westbound until he got to the Solo Tapia

restaurant. He entered the patio area and punched a woman with his closed fist. He then punched a man that came to her aid.

The Security Guard at the W waved frantically to our Officers who ran to the scene. They used pepper spray and tackled him to the ground. He was then taken into custody without further incident.

On 9-28-14, Officers Kanagi and Gordon responded to a call of a man causing a disturbance at 6031 Hollywood Blvd. They spoke to the homeless David Christenson who had been sleeping on the sidewalk. They got him up and gave him information about food and shelter. He was not interested, saying "I don't do food lines". He then left the scene.

A short time later, the Officers saw David urinate on a palm tree as he stood on the sidewalk in front of the Museum of Death. They arrested him and took him to the LAPD Station where he was cited out.

This case is a good example of how we approach problem solving. We need to get David up off the sidewalk so businesses and residents can use the sidewalk. Instead of immediately arresting him for blocking the sidewalk, we offer outreach. Our desire is to get him services with the eventual goal of permanent supportive housing. When he refuses help and urinates on the public sidewalk, we make an arrest, again in our role as problem solvers. As we have further contacts with David, we will attempt to build a rapport that will help us to guide him in the right direction.

EVENTS OF INTEREST:

On 9-23-14, PSO's Maki and Faifili spoke to Richard McFarthing at 6776 Hollywood Blvd. He was in a good mood and his sleeping alcove of choice was clean. His clothing was folded and neatly arranged. He said that he is "cleaning up Hollywood".

The PSO's then spoke to "Pyro" who is a homeless man that just arrived from Chicago. He was holding a sign that said "Hungry". They bought him some pizza and gave him outreach information.

On 9-25-14, Officers Patton and Sterling provided back-up for LAPD SLO Washington as he was contacting two people at 1623 Wilcox. Both were cited for trespassing.

On 9-25-14, at 9:25 A.M., our entire morning team responded to a call of a man causing a disturbance at Continental Currency located at 6565

Hollywood Blvd. It turned out that the man was deaf and mute. Our Officers were able to communicate by writing notes. They learned that he was waiting for his social security check. The Manager said the checks would not arrive until noon. The man left and the crisis was averted.

By going the extra mile to communicate with the man, our Officers defused a situation that could have turned ugly. The Manager may have demanded an arrest for trespass. Who knows what might have happened then.

On 9-25-14, our PSO's hit the Blvd. in our newly refurbished T-3's. We spent over \$1500.00 to improve their appearance. They spoke to 3 tourists at 6801 Hollywood who had questions about the vehicles. They posed for a photo with a couple from Brazil at 7080 Hollywood. They then spoke with an elderly woman that lives in an assisted living home on Las Palmas. She thanked the Officers for making her feel safe when she walks around Hollywood.

The PSO's kept rolling and were soon posing for photos for 8 tourists from China at 7121 Hollywood. They finished their patrol with panache as they were flagged down by a tour bus driver. His 20 tourists from China all wanted to take photos of the Officers, the T-3's, the Officers on the T-3's, themselves on the T-3's and every conceivable combination.

Our PSO's and Officers truly serve as ambassadors to the tourists that visit Hollywood. We hope to offset some of the negative effects caused by the aggressive CD venders, characters and aggressive panhandlers.

Our entire team provided extra patrol at the Farmers Market on Sunday.

SUNSET BID:

The teams made a total of 7 arrests. Five were for drinking in public, 1 for trespass and 1 for theft. They also made 16 homeless referrals, made 1 agency assist, provided 5 foot beat patrols for a total of 8 hours, made 185 citizen contacts, handled 34 radio calls for service, and contacted 171 businesses.

ARRESTS OF INTEREST:

On 9-25-14, Officers Ayala and Coogle arrested Mark Young and Max Bermel for drinking in public at 1400 Vine. They bought their alcohol at a 7-11 Store located two blocks south of Santa Monica on Vine Street.

EVENTS OF INTEREST

On the morning of 9-22-14, Officers Ayala and Parra found that 4 more trees had been damaged or destroyed in the SBID. One at 1123 Vine, and 3 at 1218 Vine.

On 9-23-14, Officers Anderson and Nam responded to a call of a man refusing to leave the Jack in the Box located at 6407 Sunset Blvd. The caller was Security Guard Edward. I have written about this guard in the past regarding his lack of judgment and unprofessional approach.

On this occasion the trespasser was gone. Our Officers spoke to Edward who was standing outside smoking a cigarette. They asked him if he could call us in the future if the person left so we could save time. He said that he did not have time to call us back. I will be personally handling Edwards future calls to our office. If I cannot quickly correct his behavior, I will contact JIB management.

The Officers then did a location check at the apartment building at 5940 Carlos. Manager Bettie asked if they could attend a safety meeting being conducted by the LAPD SLO in the area on 10-7-14.

On 9-26-14, Bike Officers Anderson and Nam stopped by the Salvation Army Senior Apartments at 5940 Carlos and spoke to 8 of the residents. They were happy for the visit.
