Gentlemen,

Perhaps you are aware that there is a gentleman living on Cahuenga who has made it his mission to attend the various BID Board meetings here in Hollywood and find opportunities to exploit any deviation from the Brown Act, or other laws?

We are linked at the hip on this, and he has peppered us with several Public Records Requests.

Please be aware of this blog, if you haven't seen it already. He has attended the last two BID board meetings (Sunset and Hollywood) and recorded the meetings, and then used snippets of what was discussed to create his "informative" blog.

He indicates that he is looking for volunteers to monitor the East Hollywood BID.

I may want to organize a conference call to ascertain what we might know about this man's motives— please give me a call on my cell if you want to discuss further.

Their website asks for donations to the GWHFC. This is possibly related?

Let me know if you schedule a call to discuss this.

Thanks!
