Steven:

I think I responded to your "me.com" address from my iphone or ipad and not to the Mediadistrict address.

Yes, lunch at the Standard at Noon next Wednesday. Lunch is on Gathers Strategies.

I will look forward to seeing you then.

Enjoy the weekend!

Dwayne,

Thanks for the update on the Chamber Econ Dev Committee, the overview was very helpful. I would love to have lunch with you Wednesday, October 15th at a place of your choice to discuss details and strategy. Please let me know if you are still available?

In my past attendance at Chamber meetings, it was just presentations from developers and the reports from Council staff and a lot of planning around the annual Hollywood Economic Development Summit. I thought that if this was an economic development committee, we should have an agenda of items that we wanted to further in an effort to actively promote economic development. If you have time to speak further about this activity and how your BID can participate and if any of these ideas can be used as you develop your own plan of action – next week is best as the following week I'll be in full Toronto prep mode.

At some future Econ Dev Comm meeting, we will want the BIDs (there is also one in East Hollywood that is new) to present on what they're working on, they're interests, etc – so we'll give you some time to settle in before putting you on the spot!

Enjoy your evening and we'll meet again soon.

I answer to either; most call me Steven.

Unfortunately, the Hollywood Media District does not have a plan....it is one of the many tasks that I am expected to accomplish and why I was brought on board. I am hopeful we can energize the membership to create and articulate a plan within the next 6 months. I want to learn as much as possible from as many as possible.

I am a curious guy. Please make sure I am at any and all meetings that pertain to Economic Development.

Yes, getting together again to talk more about details and ideas would be great. Give me a call when you return from Toronto.
