Good Morning John!

Just following up on my request to meet and discuss the history and ways in which you guys transformed SM Blvd. The funding mechanisms, logistics, planning and partnerships that were created in order to make it a reality. You mentioned bringing one of your engineers to the meeting or connecting us directly? Let me know what is easier for you? Cell. 323-600-4353.

Our 2 Santa Monica Blvd guys are unavailable. Jeff Huffer moved to New York and Ray Reynolds died (sad. Great guy).

So I have asked who else from city hall might be able to respond.... will let you know.
