Dennis,

Absolutely, we can meet anytime on the 13th, you set the time. I understand the complexities of the issue and the ongoing litigation. No matter where we are in the process, it will be helpful for me to get more information from you so that I can keep my property owners informed when asked about the issue and proposed remedies. I am hopeful that we can be good partners as the process evolves.

I look forward to hearing from you the best time and location to meet.

Cheers,

Steve,

Thanks for following up. Can we meet 11/13 sometime before 1?

Just FYI - there are many moving parts to this and it is changing by the day. It is extremely complex, because we are trying to both settle a lawsuit at the same time as develop the long-term policy. Depending on where we're at in the process, I may not be able to go into great detail about what the CAO will be proposing in their report-back. We're trying to keep both the settlement and the policy on the same track, without either one getting ahead of the other.

That being said, we are making good progress, and I am more optimistic than I have been in the past 5 years.

FYI - I met yesterday with Jessica and some other folks from the Public Works committee of the BID Consortium yesterday, and we had a good conversation.

Good Afternoon Dennis!

I hope you are gearing up to have an exciting, fun and safe Halloween. Just circling back to see if I can schedule a meeting to discuss the sidewalk repair plans? I have some free time 11/13 or 12/4, will any of those dates work....I am flexible on the time of day to meet and location.

Good Afternoon Dennis!

It was great seeing you at the BID Consortium recently. Would love to schedule a time to catch up and get a briefing on the work you guys are doing on sidewalk repair. I want to better understand the issue and the proposals that are out there. I have some time in the afternoon of November 10, 12 and 14. Are you available any of those days, I can travel to you?
