Dear Hollywood Econ Dev Participants:

I just wanted to remind you about next Tuesday's meeting. You should have received the notice from the Chamber already, but we're now sending a secondary one especially to those who have participated at the last few meetings (my database, in fact, only has those who have signed up the last few times).

We look forward to updating you on some outcomes from the last meeting and updating you on the economic development demographics/statistics project for which we will need your input. And, there are several development projects to be presented. In all, a full agenda and much work to do going forward. A copy of the agenda is again attached for your review. And, let me know if there's a topic you'd like to elevate for a future meeting.

Your time is appreciated and know that we will begin at **8 am sharp** and promise to be done at 9:30 am!!

Thanks for your engagement. Have a great weekend!!

Dwayne (& Li, who will be on vacation!!!!)
