Hi Steven,

Per our conversation last night-

If you think Hollywood Center Studios, or anyone else, might want to help us out and would want to be a sponsor for a jog-a-thon fundraiser we have coming up in November, let me know. This is for Citizen's of the World- Hollywood that's on the LeConte campus.

Last year Millennium, Kilroy, Sunset-Bronson, Camden, and Palladium Residences donated a thousand dollars each if the kids reached a set number of laps. The school is a 501c3 and the sponsors get their logo on some signs etc.

And if anybody is interested, we can do a tour. Here's some info <http://cwchollywood.org/>  
I can send a flyer as well.

Thanks for considering,

David
