Greetings 4WRD,
So good to see all of you yesterday!

Couple things – wanted you to hold the date for the next Hollywood 4WRD meeting:

Monday, November 24

3 – 5 p.m.

PATH Madison

(p.s. this will be a joint meeting with the LAHSA Coordinating Council for SPA 4-Hollywood)

Couple updates – it appears (breaking news) that Antquan Washington will be serving as the LAHSA Homeless Count Coordinator for SPA 4, so he will be the supreme guru who organizes all the subcommittees working to generate volunteers, etc for the count on Jan 29. Thank you to our friends at YPI would will take the lead on organizing the Hollywood 4WRD community.

We had a good meeting this morning with a focus group of property owners in the BID area to present the idea of the donation stations to generate contributions directly to homeless services in Hollywood. The idea was met with great enthusiasm and we will continue to work on developing this program. Realistically it is going to take about six months to launch this program, but I think this will be a terrific opportunity to educate the public about the wide array of service providers working in Hollywood, and generate contributions as well!

Thank you all of you for what you do!

See you soon,
Kerry
