Hi Steven,

GREAT meeting yesterday; the Exec Dir Report was thorough, informative yet concise. Nicely done!

The scanner is a good idea. We are approved up to \$7,000, so as long as we are under this amount we should be fine.

Talk to you soon,

Michael

As I was gathering all my cards that I have collected, I realized I forgot to add this to the wish list. As we build our database, not only with property owners, but those who wish to stay informed, we could really use this devise, Neat Desk Scanner for Mac \$369.00. Maybe if we get really good prices we can throw this in?
